Dear Sir/Madam,

Subject: Application for Frontend Developer

I am writing to you regarding the **Developer** that has recently opened up in your company. i came across this position and i believe that **i meet the majority of the required qualification and skills to match the job description** and become a high performing employee for your company

I already have a **track record of achievements** in life, and i aim to **replicate the same success** for your company. Some of my key achievements to date include:

- Attaining **excellent grades** at collage
- **winning team sporting events** at school
- Proficient in **Adobe Photoshop** and **Computer Programming**

I understand **I must work hard for my employer** to enable them to meet their commercial and strategic objectives, and my **hunger to learn and enthusiasm** will be valuable assets to your team

Thank you for considering my application, and I look forward to hearing from you.

Yours faithfully,

Aatish Roy E R
